This document has been prepared to assist you in applying for a grant from the United States Marine Corps Combat Correspondents Association Foundation (USMCCCA Foundation).

General Information

There are two categories of scholarship grants available:

Applicants for both scholarships must meet the requirements below:

2. Past recipients of Foundation grants who have not received a maximum of four annual grants, if they still meet requirements.
3. All applicants must show evidence of having been ACCEPTED by an accredited institution of higher learning for enrollment in courses leading to undergraduate degrees from that institution.

Grant Amounts: The amount and number of grants awarded each year will be determined by the Foundation Board of Directors. Initially, \$3,000 has been allocated to each of the awards listed above.
